Engagement, Leadership, and Service Mission

Engagement, Leadership, and Service (ELS) seeks to deliver programs, services, events, and significant learning experiences which strengthen students' connection to the University, cultivate a sense of community, and empower students to be engaged and contributing leaders.

ELS believes student engagement is a pivotal part of an enriched collegiate experience. With ELS, students can join student organizations, participate in and lead service opportunities, engage with leadership trainings and content, coordinate and attend multiple events on campus, and so much more.

Location and Contact Information

Engagement, Leadership, and Service

102 Tate Student Center

Athens, GA 30602

Web els.uga.edu | **Email** ugaels@uga.edu

Telephone (706) 542-6396 | **Fax** (706) 542-5584

Engagement, Leadership, and Service (ELS) staff members are available to assist registered student organizations, including assistance with the initial registration process, over the course of the year for general advising. Staff drop-in hours are Monday through Friday from 8 a.m. to 5 p.m. To set up an appointment with a member of the ELS staff, please email ugaels@uga.edu or call (706) 542-6396.

Student Organization General Policies

The purpose of registered student organizations at UGA is to complement academic programs of study and to enhance the overall educational experience of students through development, exposure to, and participation in social, cultural, intellectual, and recreational activities. Registration of student groups is necessary before university facilities and/or services (including access to funding) will be available. Registration is facilitated through Engagement, Leadership, and Service.

Registration as a student organization at the University of Georgia is a privilege and not a right, and entails responsibilities on the part of the student organization and its members. Registration signifies a willingness on the part of the student organization to comply with state law and the rules, regulations, and policies of the University and the Board of Regents. Registration of a student organization does not constitute endorsement by the University or approval of the student organization's policies and activities.

Registration as a student organization does not result in the student organization becoming a part of the University for any legal purpose. As a result, student organizations and their members could be individually liable for injury caused by the organization's implemented activities. Student organizations should exercise risk management and liability mitigation practices.

Eligible student organizations (as defined below) are permitted to register and required to renew registration annually during the registration periods identified in the next section of the Policy.

The University's review of a student organization's initial registration or registration renewal is conducted on a content-neutral basis. Therefore, the University's approval or denial of a registration filing is not based on the mission, goals, or beliefs of the student organization requesting registration. However, a student organization will not be permitted to register or renew its registration if the University finds that the student organization:

1. Seeks to accomplish its objectives, goals, purposes, or activities through the use or promotion of violence; or
2. Engages in activities that materially or substantially interfere with the discipline and normal activities of the University or with the rights of others, including activities that present a danger to property, personnel, and/or the orderly functioning of the University; or
3. Seeks personal gain; or
4. Refuses to comply with federal or state laws, including the Americans with Disabilities Act of 1990, Board of Regents' policy, and/or University rules and regulations, including the University's Non-Discrimination and Anti-Harassment Policy and Code of Conduct.

In addition to a student organization's obligation to comply with these four basic requirements, a registered student organization may have its registration denied or revoked at any time for failure to comply with any of the expectations and obligations set forth and/or referenced in this Policy. Factors the University considers in a decision to deny or revoke a student organization's registration would include, but would not be limited to, the following:

- Failure to provide all necessary registration information to Engagement, Leadership, and Service;
- Individual members' past conduct, the student organization's past conduct, or the student organization's stated objectives, to the extent any of the foregoing indicate an unwillingness or inability to comply with the four basic requirements for registration outlined above;
- Failure to meet financial obligations to the University;
- Failure to, or a stated intention not to, adhere to University rules, regulations and policies; and
- Failure to, or a stated intention not to, adhere to local, state, or federal laws.

A student organization whose registration has been revoked loses all privileges of registered student organizations. If registration is denied or revoked by Engagement, Leadership, and Service, the student organization may appeal the decision to the Associate Dean of Students, unless the denial or revocation was initiated under the Code of Conduct, in which case appeals would be handled in accordance with the Code of Conduct.

Student Organization Requirements and Registration

This section describes the requirements for a student organization to be eligible for registration and the process for registering a student organization.

Definition of a Student Organization

- *Basic Requirements:* A student organization is a group of at least six UGA students joined together for a common purpose.
- *Membership Requirements:*
General membership may be comprised of both full- and part-time UGA students.
 - At least two members must be officers.

- Only students who have paid their Student Activity Fee may serve as officers.
- Community members are not considered members of the organization and are not authorized to receive the benefits of membership in a registered student organization.
- *Advisors:* While it is not required, it can be beneficial for student organizations to have one or more advisors, who may be University faculty or staff. Should a registered student organization select a community member to serve in an advisory role, it is understood by the organization that the community member will not be recognized by the University of Georgia.

Benefits of Registering Your Student Organization

Registered student organizations enjoy the following privileges and benefits:

- Being listed as a student organization on the Involvement Network and having access to promote events, share news, manage your roster, etc.
- The ability to reserve space on campus, such as the Tate Student Center, the Miller Learning Center, and the Chapel.
- Fundraise on campus (upon approval).
- Apply for work and storage space through Engagement, Leadership, and Service.
- Advertise on campus, e.g., posting flyers on approved posting locations, printing bus cards, and hanging banners in compliance with posting guidelines.
- Eligibility for a UGA organizational email address.
- Eligibility for a website through the University.
- The ability to establish a University account with the Dean of Students Business Office, which may enable your student organization to direct bill certain charges.
- Opportunity to participate in the student involvement fairs.
- Post events and receive updates via the weekly student organizations listerv.
- Apply for funds through the Small Clubs Allocations process (coordinated by the Student Government Association), the annual All-Campus Allocations process, or academic college or student affairs department, if applicable.
- Increase leadership skills through workshops hosted by ELS.
- Utilize ELS staff for general organization advisement.

How to Register a New or Existing Organization

Student organizations must register *annually* with Engagement, Leadership, and Service in order to receive the benefits of being a student organization. Registration for the upcoming academic year will open during the preceding spring each year. Approved registration allows a student organization to be active for one academic year, contingent upon compliance with the expectations and obligations set forth in this manual.

Requirements of Registered Student Organizations

- *Registration:* Student organizations must register using the online registration process found on the Involvement Network at <http://involve.uga.edu>. The registration process must be completed by a student organization's chief officer (e.g. president, executive director, etc.) as required by ELS.
- *Good Financial Standing:* The student organization must be in good financial standing with the University (i.e.: must not have any outstanding fees with an office or department on campus).
- *Governing Documents:*
 - Each student organization must have a ELS-approved constitution.
 - The constitution serves as the guiding document for governing the student organization.

- To gain approval by ELS, all constitutions must include the following:
 - The University of Georgia student organizations’ “Non-Discrimination Policy”: “Membership and all privileges, including voting and officer positions, must be extended to all students without regard to race, color, sex (including sexual harassment and pregnancy), sexual orientation, gender identity, ethnicity or national origin, religion, age, genetic information, disability, or veteran status. Membership and all privileges, including voting and officer positions, must be extended to all students as stated in the University of Georgia Non-Discrimination and Anti-Harassment Policy. **Title VI** of the Civil Rights Act of 1964 protects people from discrimination based on race, color or national origin in programs or activities that receive Federal financial assistance. **Title IX** states that: No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”
 - However, religious student organizations will not be denied registration solely because they limit membership or leadership positions to students who share the same religious beliefs.
 - Quorum standards (percentage of members necessary to conduct business)
 - Statement expressing that only students who have paid their Student Activity Fee may serve as officers
 - Officer election and removal procedures (specific vote requirements)
 - A process (including voting requirements) for making amendments to the constitution
- An example constitution can be found on the [Student Organizations Resources](#) page.
- Submission of a registration request verifies that a student organization has reviewed and agrees with the following University policies, in addition to other University rules, regulations and policies that may be applicable:
 - [Student Handbook](#)
 - Code of Conduct
 - [Non-Discrimination and Anti-Harassment Policy](#)
 - [Trademark Policy](#)

Post-Registration Process

After completing the registration process on the Involvement Network, Engagement, Leadership, and Service will review the submission. You will receive confirmation of your organization’s status via the Involvement Network.

If changes need to be made, Engagement, Leadership, and Service will inform the primary contact via the Involvement Network with detailed instructions. Please allow ELS up to seven business days to process any changes to your registration submission.

Organizations are not considered registered until Engagement, Leadership, and Service approves the registration with an official email message sent through the Involvement Network, at which point the student organization will be listed on the Involvement Network.

Resources and Responsibilities of Registered Student Organizations

Involvement Network

Registered organizations will have a page available through the [Involvement Network](#). The Involvement Network serves as a database of registered student organizations as well as a resource for student organizations to manage their student membership roster, submit forms and event announcements, post news, hold elections, etc.

Involvement Listserv

The email address that a student organization registers will often be utilized throughout the academic year. It is important for this email address to be accurate and checked often. This email address will:

- Receive the weekly listserv;
- Be used for any communication with ELS staff; and
- Be listed on the Involvement Network website as the organizational contact email.

The student involvement listserv is sent weekly to provide the UGA community information about the upcoming programming for student organizations and students. Those listed as the primary, secondary, and advisors on the Involvement Network will receive the weekly listserv email. Others may opt-in to receive the listserv using the [Listserv Sign-Up Form](#) available on the homepage of the Involvement Network. Organizations are encouraged to submit announcements via the [Listserv Announcement Request Form](#) also available on the homepage of the Involvement Network.

Student Organization Mailboxes

All student organizations will be required to provide Engagement, Leadership, and Service with a non-residential physical mailing address. Student organizations may request a free mailbox that ELS provides. Other forms of acceptable non-residential mailing addresses include a departmental mailbox or an advisor's mailbox. Residence halls, apartment complexes, and residential addresses may not be used.

Please note that fraternity/sorority houses and religious centers typically do not receive campus mail and, therefore, are not considered on-campus addresses. Student organizations will receive campus and postal mail, as well as information from other student organizations or campus departments in their designated mailbox. In the case of student organizations that choose to use the free mailbox provided by ELS, the ELS staff reserve the right to discard mail left in a student organization's mailbox area for over one semester. Additionally, all mailboxes are emptied after the academic year is complete. All student organizations that choose to have an ELS mailbox will be required to check it regularly.

If using an ELS mailbox, student organizations should ensure that all student organizational mail is labeled as follows:

“Organization Name”
102 Tate Student Center
Athens, GA 30602

Student Organization Websites

The University division of Enterprise Information Technology Services (EITS) offers resources and services to student organizations such as developing webpages. Student organizations developing

webpages on EITS-provided facilities are expected to maintain the currency of their page content and conform to the University of Georgia computer usage [Policies, Standards, and Guidelines](#) for web use.

Each student organization is required to have a Unit Administrator responsible for the allotted webpage. It is preferred that the Unit Administrator be a staff or faculty member. If this is not possible, a faculty or staff member must sponsor the Unit Administrator. More information about the Unit Administrator, as well as other computer usage policies and regulations are available [here](#). All student organizations must adhere to the policies outlined by EITS. To request organizational web space, fill out the [UGA Web Account Request form](#).

Student Organization Email

Registered student organizations have the ability to establish organizational email accounts providing that the work of a student organization relates directly to or is in support of the University of Georgia or University System of Georgia sponsored activities. Students requesting a MyID for a student organization must have their advisor complete the [MyID Account Request form](#).

Student Organization Listserv

By using a UGA listserv, student organizations can use one email address to send information to all subscribed members. For more information about establishing an organizational listserv, complete the [Listserv List Request Form](#).

ELS Organization Space

Engagement, Leadership, and Service provides various options for student organization space and storage. The general student organization space (located in 102 Tate Student Center) is available for use by registered student organization leaders on a first come, first serve basis. Registered student organizations must apply for storage space in ELS each spring semester for the following academic year.

Responsibilities of Registered Student Organizations

- Re-register your organization on an annual basis
- Ensure that all activities of the organization comply with local, state, and federal laws, as well as University policies and regulations
- Follow the [Code of Conduct](#)
- Refrain from hazing members or those associated with your organization
- Comply with the University's [Non-Discrimination and Anti-Harassment Policy](#)
- Abide by the University [Trademark Policy](#) and follow the logo [Approval Process](#)
- Ensure that all solicitation and fundraising requests are in line with the [University Solicitation Policy](#) and have been approved by ELS
- Register any program/event involving minors per the [Policy for Programs and Activities Serving Minors](#)
- Accept responsibility for sponsoring and supervising programs run by your student organization
- Accept responsibility for ensuring that facilities are used in accordance with University policy
- Accept responsibility for reimbursing the University of Georgia for damage to University property or facilities including such items as clean-up costs, damaged property, or other contingencies related to the utilization of University facilities
- Be in good financial standing with the University by promptly handling any outstanding debts to offices or departments

- Maintain active, up-to-date files with Engagement, Leadership, and Service, including, but not limited to, membership roster, constitution, and related registration materials
- Be familiar with the rights and responsibilities outlined in this Student Organization Manual

Student Handbook and the Code of Conduct

Student organizations are expected to adhere to the policies outlined by the University of Georgia, as well as those in the Student Handbook.

In addition, student organizations are also responsible for the information published in the Code of Conduct. Possible student organization sanctions for violating University policy, the Code of Conduct, the Student Handbook or this Student Organization Policy Manual include, but are not limited to, the following:

- Recommendation for charter revocation
 - An official request to a national office that the local chapter's charter be revoked
- Revocation of University registration
 - Permanent severance of the student organization's relationship with the University
- Suspension of University registration
 - Temporary severance of the student organization's relationship with the University for a period of time. The period of time and any requirements, which must be satisfied prior to re-registration, must be specified in the decision of the hearing panel
- Probation
 - Notice that further finding of responsibility for the violation of any University conduct regulation(s) as specified in the decision of the hearing panel or informal resolution agreement will likely result in suspension or revocation of University registration. The period of probation shall be specified in the decision of the hearing panel or the informal resolution agreement
- Reprimand
 - Warning issued to the student organization
- Restitution
 - Reimbursement for a loss caused by the student organization's actions
- Community service
 - Assignment to work a specific number of hours at a community service site determined by the judicial board and/or the Office of Student Conduct
- Restrictions
 - Restriction of some or all of the student organization's activities or privileges, including, but not limited to, social privileges and recruitment privileges
- Other educational sanctions
 - Projects or assignments designed to educate an organization in connection with the effect of its member(s)'s actions. Educational assignments include, but are not limited to, alcohol awareness programs and/or risk management programs
- Other sanctions modified to meet the particular circumstances of a given situation

Non-Discrimination and Anti-Harassment Policy

Every member of the University Community is expected to uphold the Non-Discrimination and Anti-Harassment (NDAH) Policy as a matter of mutual respect and fundamental fairness in human relations. During the registration process, each organization will be required to include a reference to the

University's Non-Discrimination and Anti-Harassment policy in their constitution, as described above under registration requirements.

If you have knowledge of or believe you have experienced discrimination, harassment, or retaliation that is prohibited under the University's Non-Discrimination and Anti-Harassment Policy, please submit the complaint to the Equal Opportunity Office by completing the [NDAH Complaint Form](#), calling 706-542-7912 or emailing ugaeoo@uga.edu.

The full text of the University of Georgia Non-Discrimination and Anti-Harassment Policy can be found here: <https://eoo.uga.edu/policies/non-discrimination-anti-harassment-policy>.

Hazing Policy

Hazing is defined by the Code of Conduct as any intentional, negligent or reckless action, activity or situation that causes another pain, embarrassment, ridicule or harassment, regardless of the individual's willingness to participate. Such actions and situations include, but are not limited to:

- Forcing or requiring the drinking of alcohol or any other substance
- Forcing or requiring the consumption of food or any other substance
- Calisthenics (push-ups, sit-ups, jogging, runs, etc.)
- "Treeings"
- Paddle swats
- Line-ups
- Theft of any property
- Road trips
- Scavenger hunts
- Causing fewer than six (6) continuous hours of sleep per night
- Conducting activities that do not allow adequate time for study
- Forcing or requiring nudity at any time
- Performing acts of personal servitude for members (driving them to class, cleaning their individual rooms, serving meals, washing cars, shopping, laundry, etc.)
- Forcing or requiring the violation of University policies, or federal, state or local laws
- Physical abuse or injury

Reporting a Hazing Incident

If you are a victim of hazing or need to report hazing activity you have witnessed, please call:

UGA Police: 706-542-2200

Office of the Vice President for Student Affairs: 706-542-3564

Office of Student Conduct: 706-542-1131

Greek Life Hazing Hotline: 706-207-0779

Engagement, Leadership, and Service: 706-542-6396

UGA Student Complaints Portal: <https://studentcomplaints.uga.edu/>

Financial Resources and Policies

There is a variety of ways that student organizations can fund their efforts. Student organizations are not guaranteed funding when their registration is approved. ELS staff are willing to meet with any student organization looking to explore the different funding options available.

University Funding

In addition to fundraising for your organization, there are a variety of ways that your organization can receive funds from the University. Each of these accounts/allocation processes carries with them a variety of responsibilities and expectations. In order for your organization to be eligible for these funds, you must comply with all Student Activity Fee Guidelines.

Agency Accounts

Agency Accounts are slightly different from allocated funds accounts in that these accounts are reserved primarily for organizations that are raising funds (not utilizing activity fee funds). This account operates similarly to a traditional checking account in that funds carry over from year to year. Additional information regarding the creation and use of agency accounts can be found here: https://dos.uga.edu/business_content_page/agency-custodial-funds.

Allocated Funds Accounts

Organizations that receive funding from the All-Campus Allocations process are required to have an Allocated Funds Account. Since these accounts are established with activity fee, the organizations that hold Allocated Funds Accounts are subject to all general activity fee guidelines. Additionally, because these accounts are established with activity fee funds, all unexpended fund balances as of June 30 of each year will be recalled to the Student Activity Unexpended Funds account.

Additional information regarding the benefits listed above can be found on the Dean of Students Business Office website.

Not all organizations will be eligible to utilize the aforementioned resources. For details on each of the privileges listed above, please feel free to visit the Dean of Students Business Office located on the third floor of the Tate Student Center.

Student Government Association Small Club Allocations

The Student Government Association (SGA) receives funding to allocate to any student organizations. Further, All new organizations are required to request funds of the SGA Small Club Allocations Committee for two consecutive years prior to requesting All-Campus Allocations. This helps familiarize student organizations with the funding process at UGA. To find out more information about Small Club Allocations, please visit SGA's website.

Role of Advisor with Private Financial Accounts

Advisors employed by the University of Georgia may advise organizations concerning management of their off-campus bank accounts. However, no employee of the university has the authority to (a) open a bank account in the name of or for the benefit of any student organization, (b) be included as an allowable signatory on any off-campus bank account of any student organization, or (c) have access to funds (including, but not limited to, depositing, withdrawing, or spending funds) associated with any off-

campus bank account of any student organization, and student organizations cannot permit employees of the University to do any of the foregoing on behalf of the student organization.

The student organization is responsible for ensuring that university employees, whether advisors to the student organization or otherwise, are not given access or control of the student organization's private bank accounts.

Fundraising

Use of University facilities or grounds for fundraising must be approved by Engagement, Leadership, and Service. Requests for approval must be submitted online to Engagement, Leadership, and Service at least five business days in advance of the event. The Fundraising Request Form can be found on the Involvement Network.

All approved student organization fundraisers will be assigned a permit number, which should be available during the fundraiser.

Fundraising as it pertains to student organizations is defined as any on-campus exchange of goods. This includes, but is not limited to bake sales, book drives, ticket sales, canned food drives, clothing drives, and similar activities.

Approval is neutral to the content and viewpoint of the fundraising activity. Additionally, it is based on compliance with the following guidelines:

- Projects may not in any way interfere with normal academic programs or functions.
- Fundraising requests should be submitted to Engagement, Leadership & Service at least five business days prior to the proposed event. The applications to fundraise on campus can be obtained online at <https://uga.campuslabs.com/engage/submitter/form/start/395180>.
- All fundraisers will be assigned a permit upon approval.
- In addition to completing the fundraising request form, student organizations must obtain space reservations through Campus Reservations, Events, and Technical Services (CRETS). Approval of a fundraising request does not constitute space allocation approval. It is recommended that you obtain fundraiser approval prior to reserving space.
- The proposed fundraising project must not interfere with existing University-operated services or contracts. Additional information can be found in the UGA Solicitation Policy and Tate Business Office Fundraising Guidelines.
- Fundraising requests will not be granted for the personal benefit of an individual.
- Fundraising at UGA Athletic Association events is prohibited.

The following actions are prohibited while fundraising:

- Personal gain
- Door-to-door residence hall contact
- Use of the campus mail service
- The use of coercive acts that might intimidate those persons from whom support is sought

The Athens-Clarke County Police Department must approve all street closings for fundraising events such as street dances, road races, or any other activities taking place on city streets. The Application for Special Event Permit should be submitted to the Central Services Department no less than two months prior to the date of the event.

Programming and Event Planning

Campus Reservations

- Campus Reservations, Event, and Technical Services Office (CRETS) oversees the reservation of space on campus.
- In addition to facility space, CRETS also handles promotional space such as all outdoor banner areas, electronic marquees in the Tate Student Center, and promotional table reservations.
- There are fees associated with many facility and equipment rentals for student organizations at UGA. Please consult CRETS for more information about the fees and payment instructions.

Reservations can be made through CRETS at reservations.uga.edu

- The chief officer of the student organization will be copied on all reservations in order to ensure that space is being reserved for student organization purposes.
- The office is located in 121 Tate Student Center, the phone number is 706-583-8020, and the email address is reserve@uga.edu.
- Student organizations may make reservations in the Tate Student Center and Memorial Hall as early as six (6) months prior to their event.
- Student organizations may make reservations in the Miller Learning Center or other academic buildings one (1) month in advance.
- The minimum amount of time required for a reservation request is five business days.
- In the event of cancellation, reservations must be cancelled at least three business days prior to the event. Failure to do so will result in the organization being charged for all event charges or a penalty fee.

Failure to comply with University of Georgia policies or federal, state, and local law may result in the cancellation of future existing reservations and/or restriction from the use of University facilities.

Event Ticket Sales

The Dean of Students Business Office is responsible for the sale of any and all tickets to programs and events sponsored by registered student organizations when these student organizations intend to deposit ticket revenue into a University account. All revenue from ticket sales must be deposited into an official University of Georgia business account. For additional information, please see the [Ticket Sales Policy](#).

Film Screenings

Student organizations must obtain permissions from the copyright owner or obtain a license in order to show a movie. Owning your own copy of a movie does not grant you these permissions. The following two companies, among others, sell licenses to films for public viewing:

Swank Motion Pictures	http://colleges.swankmp.com/	1-800-876-5577
Criterion Pictures USA	http://www.criterionpicusa.com/	1-800-890-9494

Purchasing a license allows your student organization to show the film. Costs can range from \$300-\$1,100. Failure to purchase a license or otherwise secure copyright permission before showing a film could result in the student organization violating federal copyright law and could impact your status as a registered student organization.

Hosting a 5K Race

The University of Georgia and the Ramsey Student Center have an approved 5K course that registered student organizations are permitted to utilize. A student organization may request permission to use the course by contacting the staff at the Ramsey Student Center.

- Please review the 5k Road Race Course Policies prior to completing the 5K Request Form, provided through Ramsey Student Center.
- If you are planning to use additional space outside of the 5K route, the space you are looking to use must be reserved through CRETS.
- Additionally, if your student organization plans to charge an entry fee in order to participate in the 5K race, you must receive fundraising approval from Engagement, Leadership, and Service.
- The Athens-Clarke County Police Department must approve all street closings for fundraising events such as street dances, road races, or any other activities taking place on city streets. The Application for Special Event Permit should be submitted to the Central Services Department no less than two months prior to the date of the event.

Policy for Programs and Activities Serving Minors

The University of Georgia is committed to providing a safe and healthy environment for all who participate in programs and activities on campus or otherwise affiliated with the University. This policy recognizes the special duty of care and supervision when working with minors and sets forth operational requirements to enhance the protection of minors.

The Policy for Programs and Activities Serving Minors applies broadly to all programs/activities serving one or more minors, including those offered by the University's student organizations at a University facility or sponsored by University student organizations at other locations.

Programs/activities serving minors must be registered within sufficient time to meet the requirements of this policy, which is normally not less than 60 days before the program/activity's start date. Programs/activities must be registered annually. To register a program or activity, please complete the Program/Activity Registration Form.

Violators of this policy will be held accountable for their actions under the program/activity's code of conduct, University policy, and applicable law. Sanctions for violations may include, but are not limited to, suspension of University funding, non-renewal or termination of the program/activity, suspension, dismissal, or termination of University employment or program/activity staff status, or removal or barring from University facilities. Questions with regard to this policy should be directed to (706) 542-7255 or programsforminors@uga.edu.

Freedom of Expression

No rights are more highly regarded at the University of Georgia than the First Amendment guarantees of freedom of speech, freedom of expression, and the right to assemble peaceably. Such opportunities must be provided on an equal basis and adhere to the basic principle that the University is neutral to the content and viewpoint of any expression. In order to achieve this objective, while at the same time ensuring that the University fulfills its educational mission, the University may regulate the time, place, and manner of expression as outlined in the Freedom of Expression Policy. These regulations are intended to facilitate expressive activity protected by the First Amendment, while avoiding undue

disruption of University activities, protecting and preserving University property, and providing a safe campus environment for all members of the University community and for individuals engaged in expressive activity. For more information, please review the [Freedom of Expression Policy](#).

Advertising and Publicity

University Trademarks

Registered student organizations are permitted to use some images, logos, words and phrases, and marks of the University with approval. The Trademarks Policy can be found here:

<https://mc.uga.edu/policy/trademark>.

Steps for seeking approval for usage of a UGA logo or trademark can be found here:

https://pr.studentaffairs.uga.edu/content_page/using-logos.

The University of Georgia Logo and Trademark policy serves to protect the visual representation of the character of the University. The logo system and associated policies give the University a consistent visual image that makes it easy for many audiences to recognize the University and to clearly identify specific policies associated with the University.

For more specific information and the official University policy regarding logos and trademarks, please see the [Trademark Policy](#). If you have questions regarding commercial co-sponsoring or advertising, contact the Division of Marketing & Communications at 706-542-8090.

Posting Flyers

Flyers Requirements and Regulations:

- Tate Student Center and Memorial Hall:
 - Up to six 11x17 posters may be submitted from any registered student organization.
 - Poster or flyers posted in the Tate Student Center and Memorial hall must be approved by the information desk or information desk supervisor. The information desk has the right to deny any flyers, ads, brochures, etc.
 - All posters in these buildings will be posted by employees.
 - Any posters that are posted without the approval of the information desk will be removed and discarded. Brochures or pamphlets may also be submitted to the information desk to be placed in brochure racks.
 - Poster-sized advertisements may be placed in glass display cases as space permits.
- Interior bulletin boards: Interior bulletin boards are subject to the approval of the department overseeing the bulletin board. Boards that are specified for use by certain groups or departments are not available for general posting. Check with the department office of each building for poster approval.
- Exterior bulletin boards: Exterior bulletin boards are located at various locations around campus. Some boards may have names of campus groups on them that reserve that board for that. No advertisements may be placed on banner boards in front of the Tate Student Center, Memorial Hall, or Physics building without a reservation.
- Residence halls: Student organizations may submit up to 55 copies of a flyer to the University Housing office for posting in the residence halls.
 - Please drop off flyers two weeks in advance to ensure their hanging.

- Any unapproved signs found posted in the UGA residence halls will be removed.
- Nothing may be posted on any surface that is not an approved bulletin board. Anything posted in these areas will be immediately removed. Organizations that violate this policy can be subject to fines and/or sanctions. This includes, but not limited to, the following:
 - Bus shelters
 - Trashcans
 - Walls
 - Railings
 - Bathroom stalls
 - Benches
 - Light posts
 - Staircases
 - Windows
 - Doors
 - Newspaper boxes
 - Cars/windshields

Banners

Student organizations can make reservations requests for Tate Student Center promotional spaces through [CRETS](#). Four banner spaces are available for weekly rentals in the Tate Breezeway, located between the Tate Student Center and the University Bookstore. Two banner spaces are available for weekly rentals on the bridge between the Tate Student Center and the Miller Learning Center. Ten wooden banner board spaces are available for rental in various locations around the Tate Student Center, Memorial Hall, and the Physics Building.

Bus Cards

All bus card requests are handled through Print and Copy Services. All bus cards must advertise an event sponsored by a registered student organization. The name of the sponsoring organization must appear on each poster. Print and Copy Services reserves the right to deny any bus card (based on a content-neutral approach). All bus cards will be posted by employees of Print and Copy Services. For more information, review the [Print and Copy Services](#) or call 706-542-8493.

No Chalking

To prevent defacing of University property, the use of chalk to write messages, advertisements, etc. is prohibited at the University of Georgia. Any organization identified as having used chalk on the sidewalks, plaza, walls, etc. of University facilities and adjacent areas will be assessed an appropriate clean-up charge and may face organizational sanctions.

Lawn Signs

The use of temporary signage on campus grounds is not permitted by student organizations. For more information, contact the [UGA Facilities Management Division](#) at 706-542-7530.

Bulk Mailings

Postal Service regulations and University Housing policies govern the placement of materials in student mailboxes. All mailings must be posted through the U.S. Postal Service to be placed in student mailboxes. To send a mass mailing, a [Bulk Mail Job Request Form](#) must be submitted. Contact 706-542-3272 or bulkmail@uga.edu for more information about this process.
